Reference: C 00034033, November Monthly Report (10/1/05-10/31/05), your letter 8/11/06

Dear Mrs. Saspal:

The transfer-out on Schedule B to SCGOP State Account was for contributions from two corporations. Our new intern was unaware that our charge account is set up to be deposited into our federal bank account and not into our state account. The charges were made on 10/11/05; when the mistake was discovered on 10/13/05, the money was immediately transferred from our federal to our state account. Since the account type is Corporation, we are unable to show the contributions in our November Monthly return. We will send a copy of the canceled check by separate mail.

Please inform us if this letter is insufficient to answer your question.

Sincerely,

Deanna Cochran, Treasurer
SC Republican Party
